Projects

ServeWyoming promotes collaborative efforts among private, non-profit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps VISTA, Senior Corps and NCCC. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, and homeland security.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

AMERICORPS*STATE
Providing funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the Fall of each year.

DISABILITY INCLUSION & AWARENESS
Serve as a resource to promote inclusion in volunteerism.

EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

PRO BONO VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.
Dear Friends of ServeWyoming:

I believe in the power of people to bring about change where it is most needed. Sometimes the change is a simple connection an AmeriCorps member makes when they connect to others through their service. Other times, a connection through service can bring about life long change, such as when an AmeriCorps Member mentors a child, or tutors a struggling student. The results can open doors for that child or student long into their adulthood.

Everyone who has served in a volunteer capacity knows the satisfaction it provides. Selfless acts help both the individual being served and the person serving. It also leads to employment opportunities, as was the case with Patrick Harrington. He previously served as an AmeriCorps member with the Wyoming Conservation Corps (WCC) in 2010 and 2011. This opportunity connected him to natural resource and environmental experiences while promoting leadership. WCC AmeriCorps members perform a variety of conservation and natural resource management work for our state, and ServeWyoming is honored to fund this AmeriCorps program going on its 9th year. Patrick’s experiences led him to become WCC’s Assistant Director. Patrick shares, “Through National Service I learned what it meant to be a part of a community, and how together we all become much greater than our individual selves.”

Patrick’s national service road to employment is not unique. Recent studies from the Corporation for National and Community Service found that those serving make connections and learn valuable skills. Skills that employers value and help AmeriCorps members connect to employment and succeed in their careers. The majority of AmeriCorps members come from a pool of young adults who are eager for the opportunity to serve their nation and Wyoming! The AmeriCorps members serve in tough situations for a year as mentors, tutors, environmental and disaster responders, domestic violence educators, and fight for food security in our state. All the while, these members bring energy and fresh ideas to their assignments, which is wildly impressive to say the least!

AmeriCorps provides other rewards that go beyond positive service experiences. Members earn a scholarship to reduce college costs or repay student loans. This increases economic opportunity for AmeriCorps members by encouraging post-secondary education and reducing student debt. AmeriCorps increases civic responsibility and awareness while transforming their lives for the better.

ServeWyoming believes in the power AmeriCorps service can bring not just the individual members, but also the organizations they serve with and the communities they support. As our state’s Commission on National and Community Service we see first hand how transformative AmeriCorps can be. An integral component of our mission is to effectively leverage federal funds to help address critical needs across the state. It’s a unique responsibility. We are the one entity that, by Executive Order, exists for Wyoming to access AmeriCorps funds.

The power of our organization comes through how we manage those resources be it charitable, federal or state dollars and deliver outcome-focused programming. Inside this Guide, you will find the latest on our various programs: Volunteer Wyoming, AmeriCorps, Disability Inclusion and Emergency Preparedness, including data showing our commitment to improving lives and strengthen Wyoming communities through volunteerism.

As a corner stone of our voluntary advocacy efforts, the following Spring 2015 Volunteer Guide serves to encourage members of our community to get out and support a local organization, project, or cause. We strive to make finding your next volunteer opportunity, or even your next employee (see p. 22) as easy as possible by connecting you to the local agencies making a difference every day in our community.

That’s the beauty of service, whether it’s through AmeriCorps or general civic participation – the ability to improve lives while transforming communities through the power of our people. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results. That responsibility is our constant driver, and we will continue our strong focus on proven approaches and program enhancements to ensure Wyoming is stronger because of service.

Shelly McAlpin
Executive Director,
ServeWyoming
The Bargain Box Stores have been an outreach ministry of Christ Episcopal Church, Cody for over fifty (50) years.

We offer lovely, gently used clothing and household items at reasonable prices: “items you will be proud of, offered at prices you will love.”

All of the profits from the Bargain Box are transferred to the Mission Committee at Christ Episcopal Church. The Committee meets monthly to discuss grant applications; to vet them in terms of core Church values and Committee visions for Community outreach. In 2014, the Mission Committee issued grants over $100,000.00. In addition, the Bargain Box gives Bargain Bucks to non-profits in the Cody area. These vouchers are then given to individuals working with a particular non-profit and be used just like cash to secure necessary clothing and household items.

The focus of the grant applicants that the Committee partners with embraced mental health outreach, events that capture the hearts and minds of youth, clinics and enrichment programs that focus on inclusiveness, the spiritual value of good stewardship of our environment, programs for food insecure youth and food banks. Essentially, the Committee aims to enrich this area by supporting outreach that addresses social, mental, physical, academic, cultural and environmental issues.

The Stores are entirely dependent on donations from the Community and eager shoppers from Cody and far afield. Our Clothing Store is a scheduled stop from people in our area to bus tours from North Carolina and the European Union.

We are staffed by both paid employees and cherished volunteers. Great effort is made at both stores to Keep Things Out of the Landfill. Stewardship of our land is a top priority and one of our Missions at the Bargain Box. At the Furniture Store, items are washed, cleaned, repaired, re-purposed and, best of all, re-used! At the clothing store, only the very best is put out on the racks for sale. It is a delightful treat to find stylish, contemporary clothing at such low prices! The clothing that does not pass the “buttons button, zippers zip, cuffs not frayed, spotless, current and very clean” are kept out of the landfill. Clothes that are not sold are baled into 850 pound bales that are sold globally. Over 3 tons of clothes are kept out of the landfill. Other clothing that is not sold nor baled goes into our Free Bin. The Bin is a blessing to many folk—from homeless to high school drama students, to 4-H fabric projects and more. T-Shirts are sold as rags that are used by manufacturing, body shops, housekeepers, painters, etc.

The Bargain Box Ministry is very proud of its multi-pronged mission of helping people, of building a better community, and of keeping our donations out of the landfill and also providing good jobs for great people! Thus, the Bargain Box Ministry proudly supports ServeWyoming’s 2015 Inaugural Edition of the Park County Volunteer Guide.

Christ Episcopal Church

Cody, WY

The Bargain Box Ministry is grateful to the people of this community and surrounding communities for their support in the form of both donations and purchases. You make a difference.

Thus, the Bargain Box Ministry proudly supports ServeWyoming’s 2015 Inaugural Edition of the Park County Volunteer Guide.

Mentoring Works!

For more than 25 years, Big Brothers Big Sisters of Northwest Wyoming has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As Northwest Wyoming’s largest donor and volunteer supported mentoring network, Big Brothers Big Sisters of Northwest Wyoming makes meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”), ages 5 through 17, in Park, Hot Springs, Washakie, Fremont and Big Horn counties. We develop positive relationships that have a direct and lasting effect on the lives of young people. Our mission is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

According to studies from Big Brothers Big Sisters of America, our one-to-one matches are the driving force behind making an impact on children. A Big Brothers Big Sisters’ match is carefully administered and held to the strictest standards. Agency staff strives for matches that are not only safe and well suited to each child’s needs, but also harmonious and built to last. The entire matching process, from the initial screening to the final pairing—and beyond—is made possible by your financial support. But don’t just think of us as simply matchmakers. We provide ongoing support and supervision to the Big, the Little, and the Little’s family. We offer training and advice to help ensure that the match is working for everyone involved. Our unique brand of one-to-one mentoring has a Big impact all over Northwest Wyoming.

Big Brothers Big Sisters partners with ServeWyoming to operate our AmeriCorps State program. AmeriCorps members are placed in schools around Park County to be Big’s to Little’s in need of a positive mentor. AmeriCorps members volunteer either 300, 450 or 900 hours with Big Brothers Big Sisters and at the end of their term of service they are awarded an education award.

Big Sister Pokey and Little Sister Michelle plan their monthly match meetings with the help of her mother and Abbey Scott.

Are you ready to help your community?

Emergency Response Volunteers Needed!

Make a difference in your community before, during, and after a disaster

A major disaster could occur at any moment and quickly overwhelm the capacity of Park County’s local response organizations to address unaffiliated volunteers. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers.

Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk.

The pre-registration of potential volunteers enhances your community’s ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Park County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed most.

ServeWyoming wants you to:

Get registered BEFORE a disaster strikes!

To get started, contact ServeWyoming at (307) 234-3428 or (866) 737-8304
DO YOU KNOW THE ONE PLACE YOU CAN GO TO LEARN HOW YOU CAN BE ACTIVE IN THE COMMUNITY?

**Volunteer Wyoming!**
