Projects

ServeWyoming promotes collaborative efforts among private, non-profit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps VISTA, Senior Corps and NCCC. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, and homeland security.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

**AMERICORPS*STATE**
Providing funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the Fall of each year.

**DISABILITY INCLUSION & AWARENESS**
Serve as a resource to promote inclusion in volunteerism.

**EMERGENCY PREPAREDNESS**
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

**PARTNERSHIP BUILDING**
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

**PRO BONO VOLUNTEER NETWORK**
Increase nonprofit capacity through the engagement of highly skilled volunteers.

**PROFESSIONAL DEVELOPMENT & TRAINING**
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

**VOLUNTEER WYOMING**
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

Dear Friends of ServeWyoming,

I believe in the power of people to bring about change where it is most needed. Sometimes the change is a simple connection a volunteer or AmeriCorps member makes when they connect to others through their service. Other times, serving others can make all the difference in the world, such as changing a child’s life or opening a door to a new career.

Everyone who has served in a volunteer capacity knows the satisfaction it provides. Selfless acts help both the individual being served and the person serving. This October 22nd, ServeWyoming encourages YOU to participate in Make a Difference Day, one of the largest national days of community service, where thousands of volunteers unite in a common mission to improve the lives of others.

With our own mission to improve lives and strengthening Wyoming communities through volunteerism, ServeWyoming connects very strongly with the goal of Make a Difference Day. As our state’s Commission for Service and Volunteerism, we support volunteer efforts across our state and encourage you to serve or support a cause, not just on October 22nd, but every day. Whether it’s helping to clean a park, assisting at your local food bank, or simply visiting with an elderly neighbor, your service can make all the difference.

Here are some ways to get started:
• Choose a volunteer opportunity from this Guide and help make a difference in your local community!
• You can also search for additional opportunities in your area at www.servewyoming.org by clicking on “Volunteer.”
• Share your story of service on ServeWyoming’s Facebook page!

As a corner stone of our voluntary advocacy efforts, the following 2016 Park County Volunteer Guide serves to encourage members of our community to get out and support a local organization, project, or cause. We strive to make finding your next volunteer opportunity as easy as possible by connecting you to the local agencies making a difference every day in our community.

For more information about ServeWyoming, AmeriCorps, or volunteer opportunities in Park County and/or across the state, please contact us at (307) 234-3428. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results.

In Service,
Shelly McAlpin
Executive Director, ServeWyoming

The Bargain Box Stores have been an outreach ministry of Christ Episcopal Church, Cody for over fifty (50) years.

We offer lovely, gently used clothing and household items at reasonable prices: “items you will be proud of, offered at prices you will love.”

All of the profits from the Bargain Box are transferred to the Mission Committee at Christ Episcopal Church. The Committee meets monthly to discuss grant applications; to vet them in terms of core Church values and Committee visions for Community outreach. In both 2014 and 2015, the Mission Committee issued grants over $100,000.00. In addition, the Bargain Box gives Bargain Bucks to non-profits in the Cody area. These vouchers are then given to individuals working with a particular non-profit and be used just like cash to secure necessary clothing and household items.

The focus of the grant applicants that the Committee partnered with embraced mental health outreach, events that capture the hearts and minds of youth, clinics and enrichment programs that focus on inclusiveness, the spiritual value of good stewardship of our environment, programs for food insecure youth and food banks. Essentially, the Committee aims to enrich this area by supporting outreach that addresses social, mental, physical, academic, cultural and environmental issues.

The Stores are entirely dependent on donations from the Community and eager shoppers from Cody and far afield. Our Clothing Store is a scheduled stop from people in our area to bus tours from North Carolina and the European Union.

We are staffed by both paid employees and cherished volunteers. Great effort is made at both stores to Keep Things Out of the Landfill. Stewardship of our land is a top priority and one of our Missions at the Bargain Box. At the Furniture Store, items are washed, cleaned, repaired, re-purposed and, best of all, re-used! At the clothing store, only the very best is put out on the racks for sale. It is a delightful treat to find stylish, contemporary clothing at such low prices! The clothing that does not pass the “buttons button, zippers zip, cuffs not frayed, spotless, current and very clean” are kept out of the landfill. Clothes that are not sold are baled into 850 pound bales that are sold globally. Over 3 tons of clothes are kept out of the landfill. Other clothing that is not sold nor baled goes into our Free Bin. The Bin is a blessing to many folk—from homeless to high school drama students, to 4-H fabric projects and more. T-Shirts are sold as rags that are used by manufacturing, body shops, housekeepers, painters, etc.

The Bargain Box Ministry is very proud of its multi-pronged mission of helping people, of building a better community, and of keeping our donations out of the landfill and also providing good jobs for great people! Thus, the Bargain Box Ministry proudly supports ServeWyoming’s second edition of the Park County Volunteer Guide.

The Bargain Box Ministry is grateful to the people of this community and the surrounding Basin towns for their support in the form of both donations and purchases. You make a difference.

For more than 25 years, Big Brothers Big Sisters of Northwest Wyoming has operated under the belief that inherent in every child is the ability to succeed and thrive in life. As Northwest Wyoming’s largest donor and volunteer supported mentoring network, Big Brothers Big Sisters of Northwest Wyoming makes meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”), ages 5 through 17, in Park, Hot Springs, Washakie, Fremont and Big Horn counties. We develop positive relationships that have a direct and lasting effect on the lives of young people. Our mission is to provide children with a Big to help them face adversity with strong and enduring, professionally supported one-to-one relationships that change their lives for the better, forever.

According to studies from Big Brothers Big Sisters of America, our one-to-one matches are the driving force behind making an impact on children. A Big Brothers Big Sisters’ match is carefully administered and held to the strictest standards. Agency staff strives for matches that are not only safe and well suited to each child’s needs, but also harmonious and built to last. The entire matching process, from the initial screening to the final pairing—and beyond—is made possible by your financial support. But don’t just think of us as simply matchmakers. We provide ongoing support and supervision to the Big, the Little, and the Little’s family. We offer training and advice to help ensure that the match is working for everyone involved. Our unique brand of one-to-one mentoring has a Big impact all over Northwest Wyoming.

Big Brothers Big Sisters partners with ServeWyoming to operate our AmeriCorps State program. AmeriCorps members are placed in schools around Park County to be Big’s to Little’s in need of a positive mentor. AmeriCorps members volunteer either 300, 450 or 900 hours with Big Brothers Big Sisters and at the end of their term of service they are awarded an education award.

In 2010 I gave up my Oregon or bust plans for a crew-member position with the Wyoming Conservation Corps, an AmeriCorps program. That summer changed my life. During the following year I was accepted as a crew leader with the WCC and co-lead a crew on 6, 10-day conservation projects all over Wyoming. We lived in tents and road out crazy storms, we ate incredibly well, and I personally learned some of the skills I would lean on to move forward with my career.

Since those terms of service with AmeriCorps a lot has changed. I’ve worked for State Parks - a WCC project partner - managing WCC crews in the field, I’ve worked at Big Brothers Big Sisters managing AmeriCorps members, and then my dream job... I ended up running the WCC in January of 2014.

The work ethic I learned during my first term of service with AmeriCorps has made me capable of finding the career path I want and I still bring that work ethic to work every day. I can’t imagine my life without AmeriCorps.
