Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

» AMERICORPS*STATE
Provide funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the fall of each year.

» DISABILITY INCLUSION & AWARENESS
Serve as a resource to promote inclusion in volunteerism.

» EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

» PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

» PRO BONO VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

» PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

» VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

Commemorating Service In Wyoming

On September 8th, 2017 ServeWyoming celebrated 23 years of AmeriCorps service in Wyoming with a pledge ceremony and Mural Project in Casper to honor 9/11 and all of those who dedicate their lives to service.

In partnership with Keep Casper Beautiful and Fort Atelier, ServeWyoming, with the help of Wyoming AmeriCorps National Service members, ServeWyoming Commissioners, and community volunteers, painted a 16.5 ft. x 58 ft. wall in Riverview Park, located in North Casper. In total, from design to completion, 59 volunteers contributed 329 hours of service towards the service-themed mural!

This was ServeWyoming’s third mural collaboration with Fort Atelier and Keep Casper Beautiful. The first was completed in 2014 in the Beverly Street Underpass as part of ServeWyoming’s AmeriCorps’ 20th anniversary and 9/11 Day of Service and Remembrance. The second Mural was added in 2016 on the other side of the underpass, also in honor of 9/11.

Paying Tribute

As in years past, there will be opportunities across the nation for hundreds of thousands of volunteers to paint and refurbish homes, run food drives, spruce up schools, reclaim neighborhoods, and support and honor veterans, soldiers, military families, and first responders.

As our state’s Commission for Service and Volunteerism, ServeWyoming encourages you to serve or support a cause the week of 9/11 as a way of paying tribute to the victims and heroes of 9/11, and to remember the remarkable way that so many rose up in unity and service following the attacks.

Here are some ways to get started:

• Pledge to be a volunteer during a time of disaster (see p. 22).
• Share your story of service on the ServeWyoming Facebook wall!
• Choose a volunteer opportunity from this Guide in honor and remembrance of the sacrifice of those who were lost eleven years ago.
• You can also search for additional opportunities in your area at www.servewyoming.org by clicking on “Volunteer.”

What is AmeriCorps?

AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith-based groups across the country.

Since the program’s founding in 1994, almost ONE MILLION AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.

On August 21st, Governor Mead announced the 2018-2019 AmeriCorps awards to six deserving Wyoming programs that will have 143 members serving our state who will earn close to $332,000 in Segal Education Awards. Members will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming's Pro Bono Volunteer Network! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called “Service Grants.” Awardees are granted the help of one of our pro bono volunteers who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit. The pro bono volunteer will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

Please visit www.servewyoming.org and click on “Get Pro Bono” to review the grant criteria before you apply.

If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions. The next grant application cycle is TBD. Please check our website often for announcements.

Emergency Response Volunteers Needed!!

Are you ready to help your community?

MAKE A DIFFERENCE IN YOUR COMMUNITY BEFORE, DURING, AND AFTER A DISASTER

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County’s local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers. Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk. The pre-registration of potential volunteers enhances your community’s ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed most.

ServeWyoming wants you to: Get registered BEFORE a disaster strikes!

To get started, contact ServeWyoming at (307) 234-3428 or go to www.servewyoming.org
AmeriCorps Improves Lives Through Service

My volunteer experience started at the ServeWyoming office. I spent my time there learning about different organizations in the Casper area and their volunteer needs. Through this experience I learned about the impact of volunteering in our community. My time at ServeWyoming introduced me to the wide range of ways I could volunteer, and I was introduced to AmeriCorps service. I was given the opportunity to be an AmeriCorps volunteer where I served a year term with Greater Wyoming Big Brothers Big Sisters. During my time at GWBBBS I was fortunate enough to get on the job training, able to network with professionals in the community, and received a $2000 education award. I will use all that I have learned through my volunteering experience in my future career as a social worker. I am happy to know that I made a difference and I'm proud to be an AmeriCorps alum. I get to be part of a great group of people with the goal of helping others and making the world a better place.

~Kayla Smiley, Greater Wyoming Big Brother Big Sisters AmeriCorps Alum

In 2008, I moved to Wyoming. I still cannot answer the question of what brought me to this state, but I can easily answer why I stayed. In 2011, I was fortunate enough to serve as an AmeriCorps member and work for the Wyoming Conservation Corps as a crew leader. During that time, I learned what it meant to be an effective leader.

Years later, those eight months of service remain the most impactful months of my life. I graduated college with substantially less debt than my average classmate because of my AmeriCorps education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm. It wasn’t my two degrees, my past work experience, or what I thought was a clever impassioned objective statement that enticed them to call me in for an interview. It was my AmeriCorps service and time with the Wyoming Conservation Corps that inspired them to interview me and a major reason why they hired me. After two and a half years with that company, I got accepted into the Wyoming College of Law and am now a third-year law student. In addition to benefitting my education, my career, and confirming a home I love, it still benefits me, every weekend that I get to hike or bike the trails built by the members and volunteers of WCC. My experience with the Wyoming Conservation Corps made me fall in love with this state and I cannot convey enough the benefits of AmeriCorps programs and the foot forward in life that it gave me and so many of its members. AmeriCorps programs made this state feel like a community and I will always be proud of my alumni status and eternally grateful for the opportunities my experience continues to give me.
