Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human need, disaster, youth and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

» AMERICORPS*STATE

Providing funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the fall of each year.

» DISABILITY INCLUSION & AWARENESS

Serve as a resource to promote inclusion in volunteerism.

» EMERGENCY PREPAREDNESS

Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

» PARTNERSHIP BUILDING

Develop investments and partnerships to sustain ServeWyoming and the programs we support.

» PRO BONO VOLUNTEER NETWORK

Increase nonprofit capacity through the engagement of highly skilled volunteers.

» PROFESSIONAL DEVELOPMENT & TRAINING

Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

» VOLUNTEER WYOMING

Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

Commemorating Service In Wyoming

SHELLY McALPIN
Executive Director,
ServeWyoming

ServeWyoming is proud to celebrate twenty-two years of AmeriCorps service in Wyoming this September 17th with a Pledge Ceremony and Mural Project to commemorate the remarkable men and women who dedicate their lives to helping others.

With the help of Keep Casper Beautiful, Fort Atelier, Wyoming AmeriCorps members, and community volunteers, ServeWyoming will be hosting a mural project, on Saturday, September 17th to add to the 2014 design currently in the Beverly Street Underpass in Casper.

Mural painting will commence immediately following an AmeriCorps Pledge Ceremony at Highland Park at 9:00 a.m. Additional service projects will also be available to ensure everyone has a way to give back in honor of 9/11. Together with our partners and volunteers, ServeWyoming is

excited to help make Casper an even more beautiful place to live, and to honor all those who serve. Community members interested in participating in the ServeWyoming service projects on September 17th are encouraged to sign up by contacting Jessica Stanbury at our ServeWyoming office, (307) 234-3428 or by emailing Jessica at Jessica@servewyoming.org.

Paying Tribute

As in years past, there will be opportunities across the nation for hundreds of thousands of volunteers to paint and refurbish homes, run food drives, spruce up schools, reclaim neighborhoods, and support and honor veterans, soldiers, military families, and first responders.

As our state's Commission for Service and Volunteerism, ServeWyoming's mission is to improve lives and strengthen Wyoming communities through volunteerism. We want to support volunteer efforts in our state, and encourage a call to action in honor of our all Heroes.

ServeWyoming encourages you to serve or support a cause the week of 9/11 as a way of paying tribute to the victims and heroes of 9/11, and to remember the remarkable way that so many rose up in unity and service following the attacks.

Here are some additional ways to get started:

- Share your story of service on [ServeWyoming's Facebook page!](#)
- Choose a volunteer opportunity from this Guide in honor and remembrance of the sacrifice of those who were lost fifteen years ago.
- You can also search for additional opportunities in your area at www.servewyoming.org by clicking on "Volunteer."

What is AmeriCorps?

AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith-based groups across the country.

Since the program's founding in 1994, almost ONE MILLION AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.

In July, Governor Mead announced the 2017 AmeriCorps awards to 5 deserving Wyoming programs that will have 150 members serving our state. Members

will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

If you are an organization who wants to host an AmeriCorps program or someone looking to serve your community with purpose, call ServeWyoming at 307-234-3428.

Emergency Response Volunteers Needed

Are you ready to help your community?

MAKE A DIFFERENCE IN YOUR COMMUNITY BEFORE, DURING AND AFTER A DISASTER

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County's local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers.

Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk.

The pre-registration of potential volunteers enhances your community's ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed most.

ServeWyoming matched community volunteers with Team Rubicon above to assist with debris cleanup following the Cole Creek Fire in Casper. We also accepted monetary donations, distributed by a committee to help with the unmet needs of fire victims.

SERVEWYOMING WANTS YOU TO: GET REGISTERED BEFORE A DISASTER STRIKES!

To get started, contact ServeWyoming at 307-234-3428 or go to www.servewyoming.org.

GET Pro Bono

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Awardees are granted the help of one of our pro bono volunteers who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit. The pro bono volunteer will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

Please visit www.servewyoming.org and click on "Get Pro Bono" to review the grant criteria before you apply. If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions.

The next grant application cycle is TBD. Please check our website often for announcements.

GIVE Pro Bono

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming's Pro Bono Volunteer Network!

This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Once you have applied, you will be matched when a qualified nonprofit has been awarded a "Service Grant" that requires skills similar to your own. The pro bono volunteer works with the nonprofit on a short-term, specific project designed to build capacity within their organization.

We are continually looking for ways to expand the program and are always in need of more professional volunteers willing to donate their time and expertise to a community organization in need. Help us help the wonderful nonprofits that do so much in your counties by applying to "Give Pro Bono" today!

If you are interested in applying, please go to www.servewyoming.org and click on "Give Pro bono" or call us at 307-234-3428.

AmeriCorps Improves Lives Through Service

In 2010 I gave up my Oregon or bust plans for a crew member position with the Wyoming Conservation Corps, and AmeriCorps program. This summer changed my life. During the following year I was accepted as a crew leader with the WCC and co-lead a crew on 6, 10-day conservation projects all over Wyoming. We lived in tents and road out crazy storms, we ate incredibly well, and I personally learned some of the skills I would lean on to move forward with my career.

Since those terms of service with AmeriCorps a lot has changed. I've worked for State Parks - a WCC project partner - managing WCC crews in the field, I've worked at Big Brothers Big Sisters managing AmeriCorps members, and then my dream job... I ended up running the WCC in January of 2014. **The work ethic I learned during my first term of service with AmeriCorps has made me capable of finding the career path I want and I still bring that work ethic to work every day. I can't imagine my life without AmeriCorps.**

~ Patrick Harrington, Wyoming Conservation Corps' Assistant Director and AmeriCorps Alum

When people ask me why I moved to Wyoming, I often tell them moving out West, let alone moving to Wyoming, was never part of "my plan." My life was going to be simple: graduate from college, graduate from law school, and start my career as a successful attorney. Well, this "simple plan" did not go accordingly and I wouldn't have it any other way. I first learned about the AmeriCorps Program during my time at Berea College where I worked alongside a VISTA member at our campus volunteer and service center. After returning home with a B.A. and no prospects of going to law school right away, I decided I had to do something meaningful with my life. So, I sought guidance from my college labor supervisors and they pointed me in the direction of serving my country through AmeriCorps (yup, the same program I said was not for me, but right for others). I received two opportunities to serve in Casper, Wyoming, and this single decision to move to Wyoming changed my life for the better.

It amazes me to think that investing 365 days of service in a community has translated to five years of being a civically engaged member of Casper, Wyoming; during this time, **I gained transferrable skills such as grant writing, event coordination, and networking with locals to come up with solutions to community problems.**

I can say that I have finally come full-circle in fulfilling my childhood dream and announce that my year of service, in addition to the opportunities that followed, have landed me a position in the first-year law class at the University of Wyoming College of Law. As a proud ServeWyoming AmeriCorps*VISTA Alumna, I appreciate the opportunity to have been selected among a competitive pool of applicants to make a difference in Casper, the state of Wyoming, and in my own life.

~ Debra Bulluck, ServeWyoming AmeriCorps VISTA Alum

My volunteer experience started at the ServeWyoming office. I spent my time there learning about different organizations in the Casper area and their volunteer needs. Through this experience I learned about the impact of volunteering in our community. My time at ServeWyoming introduced me to the wide range of ways I could volunteer, and I was introduced to AmeriCorps service. I was given the opportunity to be an AmeriCorps volunteer where I served a year term with Greater Wyoming Big Brothers Big Sisters. During my time at GWBBBS I was fortunate enough to get on the job training, able to network with professionals in the community, and received a \$2000 education award. I will use all that I have learned through my volunteering experience in my future career as a social worker. **I am happy to know that I made a difference and I'm proud to be an AmeriCorps alum. I get to be part of a great group of people with the goal of helping others and making the world a better place.**

~Kayla Smiley, Greater Wyoming Big Brother Big Sisters AmeriCorps Alum
