Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

» AMERICORPS*STATE
Providing funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the fall of each year.

» DISABILITY INCLUSION & AWARENESS
Serve as a resource to promote inclusion in volunteerism.

» EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

» PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

» PRO BONO VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

» PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

» VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

AmeriCorps and Beyond: Making a Difference Through Service

Dear Friends of ServeWyoming,

I believe in the power of people to bring about change where it is most needed. Sometimes the change is a simple connection an AmeriCorps member makes when they connect to others through their service. Other times, a connection through service can bring about life long change, such as when an AmeriCorps Member mentors a child or tutors a struggling student. The results can open doors for that child or student long into their adulthood.

Everyone who has served in a volunteer capacity knows the satisfaction it provides. Selfless acts help both the individual being served and the person serving. It also leads to employment opportunities, as was the case with Patrick Harrington. He previously served as an AmeriCorps member with the Wyoming Conservation Corp (WCC) in 2010 and 2011. This opportunity connected him to natural resource and environmental experiences while promoting leadership. WCC AmeriCorps members perform a variety of conservation and natural resource management work for our state, and ServeWyoming is honored to fund this AmeriCorps program going on its 11th year. Patrick’s experiences led him to become WCC’s Assistant Director. Patrick shares, “Through National Service I learned what it meant to be a part of a community, and how together we all become much greater than our individual selves.” To learn more about how Patrick’s AmeriCorps service impacted his future check out p. 23 of this Guide!

Patrick’s national service road to employment is not unique. Recent studies from the Corporation for National and Community Service found that those serving make connections and learn valuable skills. Skills that employers value and help AmeriCorps members connect to employment and succeed in their careers. The majority of AmeriCorps members come from a pool of young adults who are eager for the opportunity to serve their nation and Wyoming! The AmeriCorps members serve in tough situations for a year as mentors, tutors, environmental and disaster responders, domestic violence educators, and fight for food security in our state. All the while, these members bring energy and fresh ideas to their assignments, which is wildly impressive to say the least!

ServeWyoming believes in the power AmeriCorps service can bring not just the individual members, but also the organizations they serve with and the communities they support. As our state’s Commission on National and Community Service we see first hand how transformative AmeriCorps can be. An integral component of our mission is to effectively leverage federal funds to help address critical needs across the state. It’s a unique responsibility. We are the one entity that, by Executive Order, exists for Wyoming to access AmeriCorps funds.

The success of our organization comes through how we manage those resources be it charitable, federal or state dollars and deliver outcome-focused programming. Inside this Guide, you will find the latest on our various programs: Volunteer Wyoming, AmeriCorps, Disability Inclusion and Emergency Preparedness, including data showing our commitment to improving lives and strengthen Wyoming communities through volunteerism.

As a corner stone of our voluntary advocacy efforts, the following Spring 2017 Volunteer Guide serves to encourage members of our community to get out and support a local organization, project, or cause. We strive to make finding your next volunteer opportunity, or even your next job (see p. 22) as easy as possible by connecting you to the local agencies making a difference every day in our community.

That’s the beauty of service, whether it’s through AmeriCorps or general civic participation – the ability to improve lives while transforming communities through the power of our people. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results.

Shelly J. McAlpin
Executive Director, ServeWyoming

Volunteer Wyoming is our state-wide Volunteer Center, designed to make finding your next volunteer opportunity as easy as possible! We help connect potential volunteers with local nonprofits in 3 easy ways:

1) Our FREE online matching database, www.volunteerwyoming.org! This online system allows individuals to look for and respond to volunteer needs across the state while also enabling organizations to set up agency profiles, post volunteer needs, promote community events, and even advocate for donations.

2) Call us! If you’d prefer to talk with an actual person, we’re here to help five days a week. Just call 307-234-3428 and tell us what you’re interested in and we’ll help connect you with the nonprofit and/or opportunity to suit your needs.

3) Check out pages 7-21 of this Volunteer Guide! We produce localized versions of our online database in 5 counties: Natrona, Laramie, Sheridan, Campbell, and Park. You can also view the Guides on our website (under Resources).

No matter how you prefer to search, at ServeWyoming we’re here to help. So, go online, call us, or pick up a Volunteer Guide!

What is AmeriCorps?

AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith-based groups across the country.

Since the program’s founding in 1994, almost ONE MILLION AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve. Last month, Governor Mead announced the 2017 AmeriCorps awards to 5 deserving Wyoming programs that will have 150 members serving our state. Members will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

If you are an organization who wants to host an AmeriCorps program or someone looking to serve your community with purpose, call ServeWyoming at 307-234-3428.
At WyHy, we look at managing finances differently. As a not-for-profit financial cooperative, our members own us and in turn, we are always looking for ways to go above and beyond to help our member owners achieve their dreams, no matter how big or small. But the one major thing that sets us apart is our core value of advocacy.

Our “We’re With You.” tagline is more than just three simple words – it encompasses the principles we live by to serve our members, and the community. Every day we show our members how we’re with them by helping them budget better so they can save more, get out of debt quicker and afford their goals. But we are also there for the people in Cheyenne, Casper and surrounding areas by giving back.

Throughout 2016, WyHy and our staff donated over $37,000 to various charities and non-profits around Cheyenne, Casper and the surrounding areas. We also sponsored, donated and spent volunteer time by participating in events that supported causes such as the Boys and Girls Club, Jason’s Friends Foundation, the Pink Ribbon Run and much more.

We believe in the “paying it forward” philosophy and work every day to be financial advocates for our members and community advocates for the state at large. And we are proud to support the ServeWyoming foundation as another wonderful example of community advocacy.

So if you’re looking for a banking relationship that can provide you with all the products and services you need, but is also a place you can actually have a strong relationship with and in turn your business mean something to others, then visit us online, give us a call or stop by one of our branches. We’d love to get to know you and show you how we can be there for you, just like we’ve been there for so many others for over 60 years.

We’re WyHy • We’re With You
We’re Wyoming.

Volunteering Leads to Employment

Recent research from the Corporation for National and Community Service (CNCS) provides evidence of a relationship between volunteering and finding employment. As a part of CNCS, we are happy to share this report:

The economic downturn that has plagued the United States economy over the last half decade, and certainly more recently here in Wyoming, has increased the need for pathways to employment for the millions of Americans struggling to find work. Government leaders, nonprofits, and news media have long provided anecdotal evidence that volunteering can increase employment prospects by helping job seekers learn new skills, expand their networks, and take on leader- ship roles. Despite this, there has been little quantitative research to date that has established an association between volunteering and finding a job.

CNCS' new research, “Volunteering as a Pathway to Employment,” provides the most compelling empirical research to date establishing an association between volunteering and employment in the United States.

KEY FINDINGS
• Volunteers have a 27 percent higher likelihood of finding a job after being out of work than non-volunteers
• Volunteers without a high school diploma have a 51 percent higher likelihood of finding employment
• Volunteers living in rural areas have a 55 percent higher likelihood of finding employment

CNCS also found that volunteering is associated with an increased likelihood of finding employment for all volunteers regardless of a person’s gender, age, ethnicity, geographical area, or the job market conditions.

Get Pro Bono

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called “Service Grants.” Awardees are granted the help of one of our pro bono volunteers who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit. The pro bono volunteer will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

Please visit www.servewyoming.org and click on “Get Pro Bono” to review the grant criteria before you apply. If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions.

The next grant application cycle is TBD. Please check our website often for announcements.

Give Pro Bono

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming’s Pro Bono Volunteer Network! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called “Service Grants.” Once you have applied, you will be matched when a qualified nonprofit has been awarded a “Service Grant” that requires skills similar to your own. The pro bono volunteer works with the nonprofit on a short-term, specific project designed to build capacity within their organization.

We are continually looking for ways to expand the program and are always in need for more professional volunteers willing to donate their time and expertise to a community organization in need. Help us help the wonderful nonprofits that do so much in your counties by applying to “Give Pro Bono” today!

If you are interested in applying, please go to www.servewyoming.org and click on “Give Pro bono” or call us at (307) 234-3428.
In 2010 I gave up my Oregon or bust plans for a crew member position with the Wyoming Conservation Corps, and AmeriCorps program. This summer changed my life. During the following year I was accepted as a crew leader with the WCC and co-lead a crew on 6, 10-day conservation projects all over Wyoming. We lived in tents and road out crazy storms, we ate incredibly well, and I personally learned some of the skills I would lean on to move forward with my career.

Since those terms of service with AmeriCorps a lot has changed. I've worked for State Parks - a WCC project partner - managing WCC crews in the field, I've worked at Big Brothers Big Sisters managing AmeriCorps members, and then my dream job... I ended up running the WCC in January of 2014. The work ethic I learned during my first term of service with AmeriCorps has made me capable of finding the career path I want and I still bring that work ethic to work every day. I can't imagine my life without AmeriCorps.

~ Patrick Harrington, Wyoming Conservation Corps’ Assistant Director and AmeriCorps Alum

When people ask me why I moved to Wyoming, I often tell them moving out West, let alone moving to Wyoming, was never part of “my plan.” My life was going to be simple: graduate from college, graduate from law school, and start my career a successful attorney. Well, this “simple plan” did not go accordingly and I wouldn’t have it any other way. I first learned about the AmeriCorps Program during my time at Berea College where I worked alongside a VISTA member at our campus volunteer and service center. After returning home with a B.A. and no prospects of going to law school right away, I decided I had to do something meaningful with my life. So, I sought guidance from my college labor supervisors and they pointed me in the direction of serving my country through AmeriCorps (yup, the same program I said was not for me, but right for others). I received two opportunities to serve in Casper, Wyoming, and this single decision to move to Wyoming changed my life for the better.

It amazes me to think that investing 365 days of service in a community has translated to five years of being a civically engaged member of Casper, Wyoming; during this time, I gained transferrable skills such as grant writing, event coordination, and networking with locals to come up with solutions to community problems.

I can say that I have finally come full-circle in fulfilling my childhood dream and announce that my year of service, in addition to the opportunities that followed, I am now a law student at the University of Wyoming College of Law. As a proud ServeWyoming AmeriCorps*VISTA Alumna, I appreciate the opportunity to have been selected among a competitive pool of applicants to make a difference in Casper, the state of Wyoming, and in my own life.

~ Debra Bulluck, ServeWyoming AmeriCorps VISTA Alum

My volunteer experience started at the ServeWyoming office. I spent my time there learning about different organizations in the Casper area and their volunteer needs. Through this experience I learned about the impact of volunteering in our community. My time at ServeWyoming introduced me to the wide range of ways I could volunteer, and I was introduced to AmeriCorps service. I was given the opportunity to be an AmeriCorps volunteer where I served a year term with Greater Wyoming Big Brothers Big Sisters. During my time at GWBBBS I was fortunate enough to get on the job training, able to network with professionals in the community, and received a $2000 education award. I will use all that I have learned through my volunteering experience in my future career as a social worker. I am happy to know that I made a difference and I’m proud to be an AmeriCorps alum. I get to be part of a great group of people with the goal of helping others and making the world a better place.

~ Kayla Smiley, Greater Wyoming Big Brother Big Sisters AmeriCorps Alum
