***6 Full-Time AmeriCorps members***

Action Resources International (ARI) and its food sovereignty program, Feeding Laramie Valley (FLV), are launching an AmeriCorps pilot project as part of a multi-tiered effort to provide national service opportunities as a means of increasing sustainable food security and overall community health and wellness in Wyoming. AmeriCorps team members will supplement ARI's Intermediary AmeriCorps VISTA program and its utilization of NCCC teams in order to add a year-round, direct service component to food production and distribution and community engagement activities that serve the mission of fighting poverty, decreasing health disparities, and increasing community-based voice and leadership.
