Projects

ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

» AMERICORPS*STATE
Provide funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the fall of each year.

» EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

» PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

» PROFESSIONAL VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

» PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

» VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

AmeriCorps and Beyond: Making a difference with Service in Wyoming!

Dear Friends of ServeWyoming,

I believe in the power of people to bring change where it is most needed. Sometimes the change is a simple connection an AmeriCorps Member makes when they connect to others through their service. Other times, a connection through service can bring about life long change, such as when an AmeriCorps Member mentors a child, or tutors a struggling student. The results can open doors for that child or student long into their adulthood. On September 8th, 2019 ServeWyoming will celebrate 25 years of AmeriCorps service in Wyoming!

Everyone who has served in a volunteer capacity knows the satisfaction it provides. Selfless acts help both the individual being served and the person serving. It also leads to employment opportunities. Recent studies from the Corporation for National and Community Service found that those serving make connections and learn valuable skills. Skills that employers value and help AmeriCorps Members connect to employment and succeed in their careers. The majority of AmeriCorps Members come from a pool of young adults who are eager for the opportunity to serve their nation and Wyoming! The AmeriCorps Members serve in tough situations for a year as a mentor, tutor, environmental and disaster responders, domestic violence educators, and fight for food security in our state. All the while, these members bring energy and fresh ideas to their assignments, which is wildly impressive to say the least!

AmeriCorps provides other rewards that go beyond positive service experiences. Members earn a scholarship to reduce college costs or repay student loans. This increases economic opportunity for AmeriCorps Members by encouraging post-secondary education and reducing student debt. AmeriCorps increases civic responsibility and awareness while transforming their lives for the better.

ServeWyoming believes in the power AmeriCorps service can bring not just to the individual members, but also the organizations they serve with and the communities they support. As our state’s Commission on National and Community Service we see first hand how transformative AmeriCorps can be. An integral component of our mission is to effectively leverage federal funds to help address critical needs across the state. It’s a unique responsibility. We are the one entity that, by Executive Order, exists for Wyoming to access AmeriCorps funds.

The power of our organization comes through how we manage those resources be it charitable, federal or state dollars and deliver outcome-focused programming. Inside this Guide, you will find the latest on our various programs: Volunteer Wyoming, AmeriCorps, Professional Volunteer Network, Service-Learning Initiatives and Emergency Preparedness, including data showing our commitment to improving lives and strengthening Wyoming communities through volunteerism.

As a corner stone of our voluntary advocacy efforts, the following Spring 2019 Volunteer Guide serves to encourage members of our community to get out and support a local organization, project or cause.

This Guide offers opportunities for volunteers to paint and refurbish homes, run food drives, spruce up schools, reclaim neighborhoods, and support and honor veterans, soldiers, military families, and first responders. As our state’s Commission for Service and Volunteerism, we strive to make finding your next volunteer opportunity as easy as possible by connecting you to the local agencies making a difference every day in our community.

That’s the beauty of service, whether it’s through AmeriCorps or general civic participation — the ability to improve lives while transforming communities through the power of our people. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results. That responsibility is our constant driver, and we will continue our strong focus on proven approaches and program enhancements to ensure Wyoming is stronger because of service.

What is AmeriCorps?

AmeriCorps engages more than 75,000+ Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith-based groups across the country.

Since the program’s founding in 1994, ONE MILLION plus AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.

In August of 2018, Governor Mead announced the 2018-2019 AmeriCorps awards to six deserving Wyoming programs that will have 143 members serving our state who will earn close to $332,000 in Segal Education Awards. Members will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

If you are an organization who wants to host an AmeriCorps program or someone looking to serve your community with purpose, call ServeWyoming at 307-234-3428.

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming’s Professional Volunteer Network! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called “Service Grants.” Awardees are granted the help of one of our Professional Volunteer Network members who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit.

We are continually looking for ways to expand the program and are always in need for more professional volunteers willing to donate their time and expertise to a community organization in need.

Help us help the wonderful nonprofits that do so much in your counties by applying to “Give Pro Bono” today!

If you are interested in applying, please go to www.servewyoming.org and click on “Give Pro Bono” or call us at (307) 234-3428.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

Please visit www.servewyoming.org and click on “Get Pro Bono” to review the grant criteria before you apply.

If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions. The next grant application cycle is TBD. Please check our website often for announcements.

ServeWyoming wants you to:
Get registered BEFORE a disaster strikes!

To get started, contact ServeWyoming at (307) 234-3428 or go to www.servewyoming.org

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County’s local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers. Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk.

The pre-registration of potential volunteers enhances your community’s ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents and experiences when and where they are needed most.
AmeriCorps Improves Lives Through Service

My volunteer experience started at the ServeWyoming office. I spent my time there learning about different organizations in the Casper area and their volunteer needs. Through this experience I learned about the impact of volunteering in our community. My time at ServeWyoming introduced me to the wide range of ways I could volunteer, and I was introduced to AmeriCorps service. I was given the opportunity to be an AmeriCorps member where I served a year term with Greater Wyoming Big Brothers Big Sisters. During my time at GWBBBS I was fortunate enough to get on the job training, able to network with professionals in the community, and received a $2000 education award. I will use all that I have learned through my volunteering experience in my future career as a social worker. I am happy to know that I made a difference and I’m proud to be an AmeriCorps alum. I get to be part of a great group of people with the goal of helping others and making the world a better place.

~Kayla Smiley, Greater Wyoming Big Brother Big Sisters AmeriCorps Alum

After graduating from the University of Washington with a B.A. in Business Administration, I found my lack of professional experience and the tanking economy left me unable to land my dream job. While job searching on the Internet, I remembered hearing about a program called AmeriCorps. After checking out the AmeriCorps job listings, I stumbled upon an opportunity to work at ServeWyoming as an AmeriCorps*VISTA. Thinking of my family’s summer road trip to Yellowstone and how beautiful, green, and mountainous it was, I applied and my time as an AmeriCorps*VISTA in Wyoming literally changed my life for years to come.

Through the AmeriCorps*VISTA program, for the first time I was gaining professional work experience, learning valuable skills, and finding much needed direction regarding what I ultimately wanted to do for a career. The icing on the cake? Knowing what I was doing was truly making a difference.

AmeriCorps is and will always be an invaluable experience that provides today’s youth with real world work experience, an appreciation for community service, and a chance to experience a truly life-changing opportunity. Creating community-minded, passionate, and engaged citizens is something that every state in our country desires. In a state that is struggling to keep its younger generations in the state, Wyoming AmeriCorps is a vital piece of the puzzle, providing unique, entry-level professional work opportunities, while attracting both local and out-of-state youth to experience the wonders of Wyoming.

~ Clinton Harper, ServeWyoming AmeriCorps VISTA Alum

In 2008, I moved to Wyoming. I still cannot answer the question of what brought me to this state, but I can easily answer why I stayed. In 2011, I was fortunate enough to serve as an AmeriCorps member and work for the Wyoming Conservation Corps as a crew leader. During that time, I learned what it meant to be an effective leader.

Years later, those eight months of service remain the most impactful months of my life. I graduated college with substantially less debt than my average classmate because of my AmeriCorps education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm. It wasn’t my two degrees, my past work experience, or what I thought was a clever impassioned objective statement that enticed them to call me in for an interview. It was my AmeriCorps service and time with the Wyoming Conservation Corps that inspired them to interview me and a major reason why they hired me. After two and a half years with that company, I got accepted into the Wyoming College of Law and am now a third-year law student. In addition to benefitting my education, my career, and confirming a home I love, it still benefits me, every weekend that I get to hike or bike the trails built by the members and volunteers of WCC.

My experience with the Wyoming Conservation Corps made me fall in love with this state and I cannot convey enough the benefits of AmeriCorps programs and the foot forward in life that it gave me and so many of its members. AmeriCorps programs made this state feel like a community and I will always be proud of my alumni status and eternally grateful for the opportunities my experience continues to give me.

~ Andrea Harrington, Wyoming Conservation Corps’ AmeriCorps Alum
