ServeWyoming promotes collaborative efforts among private, nonprofit and governmental organizations that advance community service, volunteer programs, and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, environment, public safety, human needs, disaster, youth, and veteran and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating, and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

» AMERICORPS*STATE
Provide funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs. The application process begins in the fall of each year.

» EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

» PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

» PROFESSIONAL VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

» PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training, and technical assistance, member development and outreach.

» VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

ServeWyoming is proud to celebrate 25 years of AmeriCorps service in Wyoming this September 13th with a Pledge Ceremony and Wyoming Day of Service and Remembrance to commemorate the remarkable men and women who dedicate their lives to helping others. Service projects will be available immediately following the Ceremony at Riverview Park in North Casper to ensure everyone has a way to give back in honor of 9/11. Community members interested in participating in the ServeWyoming service projects are required to sign up by contacting Wendy Luck at our ServeWyoming office, (307) 234-3428 or by emailing Wendy at Wendy@servewyoming.org.

Paying Tribute
As in years past, there will be opportunities across the nation for hundreds of thousands of volunteers to paint and refurbish homes, run food drives, spruce up schools, reclaim neighborhoods, and support and honor veterans, soldiers, military families, and first responders.

As our state’s Commission for Service and Volunteerism, ServeWyoming’s mission is to improve lives and strengthen Wyoming communities through volunteerism. We want to support volunteer efforts in our state and encourage a call to action in honor of all our heroes.

ServeWyoming encourages you to serve or support a cause the week of 9/11 as a way of paying tribute to the victims and heroes of 9/11, and to remember the remarkable way that so many rose up in unity and service following the attacks. Here are some additional ways to get started:

- Participate in ServeWyoming’s 9/13 “Wyoming Day of Service and Remembrance.” Friday, September 13th 8am-6pm at Riverview Park in North Casper. While you are there, pledge to be a volunteer during a time of disaster (see p. 21).
- Share your story of service on the ServeWyoming Facebook wall!
- Choose a volunteer opportunity from this Guide in honor and remembrance of the sacrifice of those who were lost eighteen years ago.
- You can also search for additional opportunities in your area at www.servewyoming.org by clicking on “Volunteer Now.”

For more information about ServeWyoming or volunteer opportunities in your area, please contact us at (307) 234-3428.
Through a mutual partnership with Wyoming community colleges and nonprofits, ServeWyoming is re-launching the Professional Volunteer Network (PVN) Initiative. PVN (AKA Pro Bono) is designed to lead, mobilize and engage Wyoming volunteers and degree-seeking community college students to give their time, professional expertise and applied learning to nonprofits in need of volunteer management and capacity building support, in the form of short-term, training-focused projects known as Service Grants.

Join this network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others, and learn more about the nonprofits in your community.

If you are interested in applying, please go to www.servewyoming.org and click on “Give Pro bono” or call us at (307) 234-3428.

Thank You for supporting ServeWyoming!

Since the program’s founding in 1994, ONE MILLION plus AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

Govenor Gordon announced the 2019-2020 AmeriCorps award recipients September 4, 2019. In August of 2018, Governor Mead announced the 2018-2019 AmeriCorps awards to six deserving Wyoming programs that will have 143 members serving our state who will earn close to $332,000 in Segal Education Awards. Members will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

Volunteer Wyoming is our state-wide Volunteer Center, designed to make finding your next volunteer opportunity as easy as possible! We help connect potential volunteers with local nonprofits in 3 easy ways:

1) Our FREE online matching database, www.volunteerwyoming.org! This online system allows individuals to look for and respond to volunteer needs across the state while also enabling organizations to set up agency profiles, post volunteer needs, promote community events, and advocate for donations.

2) Call us! If you’d prefer to talk with an actual person, we’re here to help five days a week. Just call 307-234-3428 and tell us what you’re interested in and we’ll help connect you with the nonprofit and/or opportunity to suit your needs.

3) Check out pages 7-21 of THIS Volunteer Guide! We produce localized versions of our online database in 5 counties: Natrona, Laramie, Sheridan, Campbell, and Park. You can also view the Guides on our website (under Resources).

No matter how you prefer to search, at ServeWyoming we’re here to help. So, go online, call us, or pick up a Volunteer Guide!

GIVE Pro Bono

Are you looking for ways to utilize your skills to make a positive impact on your community? Apply your skills to the greater good. Join ServeWyoming's Professional Volunteer Network! This is a network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others, and learn more about the nonprofits in your community.

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called "Service Grants." Once you have applied, you will be matched when a qualified nonprofit that has been awarded a “Service Grant” that requires skills similar to your own. The Professional Volunteer Network member works with the nonprofit on a short-term, specific project designed to build capacity within their organization.

We are continually looking for ways to expand the program and are always in need for more professional volunteers willing to donate their time and expertise to a community organization in need. Help us help the wonderful nonprofits that do so much in your counties by applying to “Give Pro Bono” today?

If you are interested in applying, please go to www.servewyoming.org and click on “Give Pro bono” or call us at (307) 234-3428.

GET Pro Bono

Rather than cash grants, ServeWyoming facilitates grants of professional consulting services called “Service Grants.” Awardees are granted the help of one of our Professional Volunteer Network members who work in a variety of fields and are interested in sharing their skills with a qualified nonprofit.

The Professional Volunteer Network Member will work with your nonprofit for a short-term, specific project designed to build capacity within your nonprofit.

ServeWyoming partners with many organizations doing important work in a range of issue areas. Unfortunately, our own funding limitations keep us from awarding Service Grants to all organizations that apply and our ability to match you with the services you seek is highly dependent on the availability of professional volunteers. Organizations are strongly encouraged to apply as early as possible, so we may also search for volunteers to fulfill the expertise you seek.

Please visit www.servewyoming.org and click on “Get Pro Bono” to review the grant criteria before you apply. If you have questions regarding our grant criteria or the content of any of our Service Grants, please contact the ServeWyoming office, and we will be happy to answer your questions.

The next grant application cycle is TBD. Please check our website often for announcements.

Emergency Response Volunteers Needed!!

Are you ready to help your community?

MAKE A DIFFERENCE IN YOUR COMMUNITY BEFORE, DURING, AND AFTER A DISASTER

A major disaster could occur at any moment and quickly overwhelm the capacity of Natrona County's local response organizations. Recovery of our communities after a disaster is dependent on adequate resources and trained volunteers.

Spontaneous unaffiliated volunteers who show up at disaster sites, though well meaning, can slow down the response process and place themselves and others at risk.

The pre-registration of potential volunteers enhances your community’s ability to mobilize appropriate emergency response volunteers as needed to assist with an emergency response. By pre-registering with ServeWyoming, Natrona County residents will be prepared to use their valuable skills, talents, and experiences when and where they are needed most.

ServeWyoming wants you to:
Get registered BEFORE a disaster strikes!

To get started, contact ServeWyoming at (307) 234-3428 or go to www.servewyoming.org

Thank You for Your Support!

Reach over 70,000 households, inform readers about all the great things you are doing to pay it forward, and be part of a community project designed to increase social connectedness, career skills, sense of satisfaction, and quality of life among all Casper-area residents.

Contact ServeWyoming at (307) 234-3428 or shelly@servewyoming.org for more information about sponsorship opportunities!
AmeriCorps Improves Lives Through Service

In 2008, I moved to Wyoming. I still cannot answer the question of what brought me to this state, but I can easily answer why I stayed. In 2011, I was fortunate enough to serve as an AmeriCorps member and work for the Wyoming Conservation Corps as a crew leader. During that time, I learned what it meant to be an effective leader. Years later, those eight months of service remain the most impactful months of my life. I graduated college with substantially less debt than my average classmate because of my AmeriCorps education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm. It wasn’t my two degrees, my past work experience, or what I thought was a clever impassioned objective statement that enticed them to call me in for an interview. It was my AmeriCorps service and time with the Wyoming Conservation Corps that inspired them to interview me and a major reason why they hired me. After two and a half years with that company, I got accepted into the Wyoming College of Law and in 2019 I graduated with my Juris Doctorate degree and gained a position with a Wyoming based law firm. In addition to benefitting my education, my career, and confirming a home I love, it still benefits me, every weekend that I get to hike or bike the trails built by the members and volunteers of WCC.

My experience with the Wyoming Conservation Corps made me fall in love with this state and I cannot convey enough the benefits of AmeriCorps programs and the foot forward in life that it gave me and so many of its members. AmeriCorps programs made this state feel like a community and I will always be proud of my alumni status and eternally grateful for the opportunities my experience continues to give me.

~ Andrea Harrington, Wyoming Conservation Corps’ AmeriCorps Alum

I have been a Foster Grandparent since August of 2007. I have served nearly 25,000 hours and was a recipient of the Presidential Volunteer Service Award in 2018. I currently serve the Kindergarten at Highland Park Elementary in Sheridan.

“To see children that I have had in class 13 years ago and see the excitement and respect they have for me (and all grandparents) is overwhelming! Parents of these children have so much respect for us! Our lives are enriched! It overwhelsms even my own family.”

~ “Grandma” Linda Tarver, Foster Grandparent

My service experience started at ServeWyoming. I spent my time there learning about different organizations in the Casper area and their needs. Through this experience I learned about the impact of service in our community. My time at ServeWyoming introduced me to the wide range of ways I could serve, and I was introduced to AmeriCorps service. I was given the opportunity to be an AmeriCorps member where I served a year term with Greater Wyoming Big Brothers Big Sisters. During my time at GWBBBS I was fortunate enough to get on the job training, able to network with professionals in the community, and received a $2000 education award. I will use all that I have learned through my service experience in my future career as a social worker. I am happy to know that I made a difference and I’m proud to be an AmeriCorps alum. I get to be part of a great group of people with the goal of helping others and making the world a better place.

~ Kayla Smiley, Greater Wyoming Big Brother Big Sisters AmeriCorps Alum
