Projects

ServeWyoming promotes collaborative efforts among private, non-profit, and governmental organizations that advance community service, volunteer programs, and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps VISTA, Senior Corps and NCCC. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, and veterans and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating, and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

AMERICORPS*STATE
Provide funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and the application process begins in the fall of each year.

DISABILITY INCLUSION & AWARENESS
Serve as a resource to promote inclusion in volunteerism.

EMERGENCY PREPAREDNESS
Serve as a neutral convener to mobilize and train volunteers in the time of an emergency or disaster.

PARTNERSHIP BUILDING
Develop investments and partnerships to sustain ServeWyoming and the programs we support.

PROFESSIONAL PRO BONO VOLUNTEER NETWORK
Increase nonprofit capacity through the engagement of highly skilled volunteers.

PROFESSIONAL DEVELOPMENT & TRAINING
Increase grantee capacity and statewide awareness of national service through professional development, training and technical assistance, member development and outreach.

VOLUNTEER WYOMING
Serve as a resource to our communities and increase the number and effectiveness of volunteers in Wyoming.

**GIVE Back and Get Back!**

When you ask a volunteer why they give back to their community, you’re bound to get a variety of answers: passion for the cause, to pay it forward, to get out of the house, to meet new people, because it’s required, to get to know my community, etc. From the reason to the experience, volunteering is rarely the same from person to person. What is similar across the board is the enormous benefit of volunteering to both community and the individual.

**We are often reminded of the importance of helping others. Doing good for the community is also good for you!** From the physical, to the emotional, and even the social, volunteers reap amazing benefits simply from giving their time and energy to someone/something else. Read on to learn how when you give your time and money to others, you get just as much back in return!

- **Volunteering improves your health!** Volunteering has consistently been found to lower stress levels, improve your mood, and make you feel healthier and happier. While the ultimate reason to volunteer should be to help someone else, it doesn’t hurt to learn that while you’re helping to strengthen your community, you are also improving your physical, emotional, and social well-being.

- **Gives you purpose!** Volunteering can help you feel more connected to your community and help you feel like you’re doing something that matters and contributes to the greater good.

- **Sets you apart from the crowd!** Your volunteer commitments are great to add to your resume or a scholarship application.

- **Could lead to a new job!** Volunteering increases your chance of finding employment regardless of a person’s gender, age, ethnicity, geographical area, or the job market conditions and allows you to add relevant experience to your resume, grow your professional network, and try out a new skill or even a career without the pressure of a long-term commitment.

**AmeriCorps Improves Lives Through Service**

In 2008, I moved to Wyoming. I still cannot answer the question of what brought me to this state, but I can easily answer why I stayed. In 2011, I was fortunate enough to serve as an AmeriCorps member and serve for the Wyoming Conservation Corps as a crew leader. During that time, I learned what it meant to be an effective leader.

Years later, those eight months of service remain the most impactful months of my life. I graduated college with substantially less debt than my average classmate because of my AmeriCorps education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm.

It wasn’t my two degrees, my past work experience, or what I thought was a clever impromptu objective statement that enticed them to call me in for an interview. It was my AmeriCorps service and time with the Wyoming Conservation Corps that inspired them to interview me and a major reason why they hired me. After two and a half years with that company, I got accepted into the Wyoming College of Law and in 2019 I was hired at a Wyoming law firm. In addition to benefitting my education, my career, and confirming a home I love, it still benefits me, every weekend that I get to hike or bike the trails built by the members of WCC.

My experience with the Wyoming Conservation Corps made me fall in love with this state and I cannot convey enough the benefits of AmeriCorps programs and the foot forward in life that it gave me and so many of its members. AmeriCorps programs made this state feel like a community and I will always be proud of my alumni status and eternally grateful for the opportunities my experience continues to give me.

What is Volunteer Wyoming?
Volunteer Wyoming is our state-wide Volunteer Center designed to make finding your next volunteer opportunity as easy as possible.

We help connect potential volunteers with local nonprofits in 3 easy ways:

1. Our FREE online matching database, www.volunteerwyoming.org!
   This online system allows individuals to look for and respond to volunteer needs across the state while also enabling organizations to set up agency profiles, post volunteer needs, promote community events, and even solicit donations.

2. Call us! If you’d prefer to talk with an actual person, we’re here to help five days a week. Just call 307-234-3428 and tell us what you’re interested in and we’ll help connect you with the nonprofit and/or opportunity to suit your needs.

3. Check out pages 6-10 of THIS Volunteer Guide! We produce localized versions of our online database in 5 counties: Natrona, Laramie, Sheridan, Campbell, and Park. You can also view the Guides on our website (under Resources).

What is AmeriCorps?
AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, community and faith-based groups across the country.

Since the program’s founding in 1994, more than ONE MILLION AmeriCorps members have contributed over 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve. On September 4, Governor Gordon announced the 2019-2020 AmeriCorps awards to seven deserving Wyoming programs that will have 175 members serving our state. Members will apply their skills and ideals toward helping others and meeting critical community needs. As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps*State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

If you are interested in applying, please go to www.servewyoming.org and click on "Give Pro Bono" or call us at (307) 234-3428.

The Bargain Box Stores have been an outreach ministry of Christ Episcopal Church, Cody for over fifty (50) years.

We offer lovely, gently used clothing and household items at reasonable prices: “items you will be proud of, offered at prices you will love.”

All of the profits from the Bargain Box are transferred to the Mission Committee at Christ Episcopal Church. The Committee meets monthly to discuss grant applications; to vet them in terms of core Church values and Committee visions for Community outreach. In 2014, the Mission Committee issued grants over $100,000.00. In addition, the Bargain Box gives Bargain Bucks to non-profits in the Cody area. These vouchers are then given to individuals working with a particular non-profit to be used just like cash to secure necessary clothing and household items.

The focus of the grant applicants that the Committee partners with embraced mental health outreach, events that capture the hearts and minds of youth, clinics and enrichment programs that focus on inclusiveness, the spiritual value of good stewardship of our environment, programs for food insecure youth and food banks. Essentially, the Committee aims to enrich this area by supporting outreach that addresses social, mental, physical, academic, cultural and environmental issues.

The Stores are entirely dependent on donations from the Community and eager shoppers from Cody and far afield. Our Clothing Store is a scheduled stop from people in our area to bus tours from North Carolina and the European Union.

We are staffed by both paid employees and cherished volunteers. Great effort is made at both stores to Keep Things Out of the Landfill. Stewardship of our land is a top priority and one of our Missions at the Bargain Box. At the Furniture Store, items are washed, cleaned, repaired, re-purposed and, best of all, re-used! At the clothing store, only the very best is put out on the racks for sale. It is a delightful treat to find stylish, contemporary clothing at such low prices! The clothing that does not pass the “buttons button, zippers zip, cuffs not frayed, spotless, current and very clean” are kept out of the landfill. Cloths that are not sold are baled into 850 pound bales that are sold globally. Over 3 tons of cloths are kept out of the landfill. Other clothing that is not sold nor baled goes into our Free Bin. The Bin is a blessing to many folk-from homeless to high school drama students, to 4-H fabric projects and more. T-Shirts are sold as rags that are used by manufacturing, body shops, housekeepers, painters, etc.

The Bargain Box Ministry is very proud of its multi-pronged mission of helping people, of building a better community, and of keeping our donations out of the landfill and also providing good jobs for great people! Thus, the Bargain Box Ministry proudly supports ServeWyoming’s 4th Annual Park County Volunteer Guide.

The Bargain Box Ministry is grateful to the people of this community and the surrounding Basin towns for their support in the form of both donations and purchases. You make a difference.

The Bargain Box Ministry proudly supports ServeWyoming’s fourth edition of the Park County Volunteer Guide.
