2019 VOLUNTEER GUIDE

Your resource guide for volunteer opportunities in Sheridan County
ServeWyoming is Governor Mark Gordon’s Commission on National and Community Service, promoting efforts among private, non-profit, and governmental organizations that advance community service, volunteer programs and activities in each Wyoming community. We also collaborate with other Corporation for National & Community Service programs such as AmeriCorps*VISTA and Senior Corps. ServeWyoming gives every citizen an opportunity to help solve our biggest challenges in education, the environment, public safety, human needs, disaster, youth, veteran, and family services.

In addition to coordinating funding for organizations throughout the state, our Commission has the role of developing, communicating, and promoting a statewide vision and ethic of service in Wyoming. To attain this, we are working on a variety of projects which include:

**AMERICORPS*STATE**—providing funding to recruit AmeriCorps members and training to manage and operate AmeriCorps programs across Wyoming. Projects may vary to meet community needs and application process begins in the Fall of each year.

**EMERGENCY PREPAREDNESS**—providing training to AmeriCorps programs, agencies, and the public, including special needs populations, on emergency preparedness strategies.

**PROFESSIONAL VOLUNTEER NETWORK (PRO BONO)**—offering “Service Grants” of professional consulting services to qualified nonprofits. The Professional Volunteer Network Initiative was established in an effort to create a network of business and social leaders interested in volunteering their services, time and money to local nonprofits.

**VOLUNTEER WYOMING**—increasing the number and effectiveness of volunteers, provide strategies for recruiting training, placing or matching, and recognizing volunteers.

Our website, volunteerwyoming.org, features statewide opportunities.

ServeWyoming is searching for organizations with experience administering federal grants to serve as AmeriCorps intermediaries for smaller nonprofits, those with an evidence-based program model, and/or exciting, effective programs. We accept concept papers year round! If you are interested, please contact us at 307-234-3428 or 866-737-8304.
Dearest Friends of ServeWyoming,

I believe in the power of people to bring change where it is most needed. Sometimes the change is the simple connection an AmeriCorps Member makes when they connect to others through their service. Other times, a connection through service can bring about lifelong change, such as when an AmeriCorps Member mentors a child, or tutors a struggling student. The results can open doors for that child or student long into their adulthood. On September 8th, 2019 ServeWyoming will celebrate 25 years of AmeriCorps service in Wyoming!

Everyone who has served in a volunteer capacity knows the satisfaction it provides. Selfless acts help both the individual being served and the person serving. It also leads to employment opportunities. Recent studies from the Corporation for National and Community Service found that those serving make connections and learn valuable skills. Skills that employers value and help AmeriCorps Members connect to employment and succeed in their careers. The majority of AmeriCorps Members come from a pool of young adults who are eager for the opportunity to serve their nation and Wyoming! The AmeriCorps Members serve in tough situations for a year as a mentor, tutor, environmental and disaster responders, domestic violence educators, and fight for food security in our state. All the while, these members bring energy and fresh ideas to their assignments, which is wildly impressive to say the least!

AmeriCorps provides other rewards that go beyond positive service experiences. Members earn a scholarship to reduce college costs or repay student loans. This increases economic opportunity for AmeriCorps Members by encouraging post-secondary education and reducing student debt. AmeriCorps increases civic responsibility and awareness while transforming their lives for the better.

ServeWyoming believes in the power AmeriCorps service can bring not just to the individual members, but also the organizations they serve with and the communities they support. As our state’s Commission on National and Community Service we see firsthand how transformative AmeriCorps can be. An integral component of our mission is to effectively leverage federal funds to help address critical needs across the state. It’s a unique responsibility. We are the one entity that, by Executive Order, exists for Wyoming to access AmeriCorps funds.

The power of our organization comes through how we manage those resources be it charitable, federal or state dollars and deliver outcome-focused programming. Inside this Guide, you will find the latest on our various programs: Volunteer Wyoming, AmeriCorps, Professional Volunteer Network, Service-Learning Initiatives and Emergency Preparedness, including data showing our commitment to improving lives and strengthening Wyoming communities through volunteerism.

As a cornerstone of our voluntary advocacy efforts, the following 2019 Sheridan Volunteer Guide serves to encourage members of our community to get out and support a local organization, project or cause.

This Guide offers opportunities for volunteers to paint and refurbish homes, run food drives, spruce up schools, reclaim neighborhoods, and support and honor veterans, soldiers, military families, and first responders. As our state’s Commission for Service and Volunteerism, we strive to make finding your next volunteer opportunity as easy as possible by connecting you to the local agencies making a difference every day in our community.

That’s the beauty of service, whether it’s through AmeriCorps or general civic participation – the ability to improve lives while transforming communities through the power of our people. We appreciate your support and interest in our work and know that you, our partners, rely on us to deliver results. That responsibility is our constant driver, and we will continue our strong focus on proven approaches and program enhancements to ensure Wyoming is stronger because of service.

Are you looking for ways to utilize your skills to make a positive impact on your community?

Through a mutual partnership with Wyoming community colleges and nonprofits, ServeWyoming is re-launching the Professional Volunteer Network (PVN) Initiative. PVN (AKA Pro Bono) is designed to lead, mobilize and engage Wyoming volunteers and degree-seeking community college students to give their time, professional expertise, and applied learning to nonprofits in need of volunteer management and capacity building support, in the form of short-term, training-focused projects known as Service Grants.

Join this network of Wyoming professionals who are committed to driving social change in their communities by donating their time and expertise to help build the capacity of local nonprofits. This is a great opportunity to develop skills, teach others, and learn more about the nonprofits in your community.

WHAT IS AMERICORPS?
AmeriCorps engages more than 75,000 Americans in intensive service each year at nonprofits, schools, public agencies, and community and faith based groups across the country.

Since the program’s founding in 1994, almost ONE MILLION AmeriCorps members have contributed more than 1.2 billion hours in service across America while tackling pressing problems and mobilizing millions of volunteers for the organizations they serve. In August, 2018, Governor Mead announced the 2018-2019 AmeriCorps awards to seven deserving Wyoming programs that will have 140 members serving our state. Members will apply their skills and ideals toward helping others and meeting critical community needs.

As they serve, they also develop valuable job skills and experience, as well as earn a modest education award, which will enhance their employability throughout their careers.

AmeriCorps State is a program of the Corporation for National and Community Service which supports a wide range of community goals in Wyoming that engage citizens, along with thousands of other Americans across the country, in intensive community service each year in the areas of education, disasters, economic opportunity, environment, healthy futures, veterans and family services.

If you are an organization who wants to host an AmeriCorps program or someone looking to serve your community with purpose, call ServeWyoming at 307-234-3428 or 866-737-8304.

**AmeriCorps Improves Lives Through Service**

In 2008, I moved to Wyoming. I still cannot answer the question of what brought me to this state, but I can easily answer why I stayed. In 2011, I was fortunate enough to serve as an AmeriCorps member and work for the Wyoming Conservation Corps as a crew leader. During that time, I learned what it meant to be an effective leader.

Years later, those eight months of service remain the most impactful months of my life. I graduated college with substantially less debt than my average classmate because of my AmeriCorps education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm. It wasn’t my two degrees, my education award. In 2014, I was fortunate enough to be hired by a prestigious consulting firm. It wasn’t my two degrees, my past work experience, or what I thought was a clever impassioned objective statement that enticed them to call me in for an interview. It was my AmeriCorps service and time with the Wyoming Conservation Corps that inspired them to interview me and a major reason why they hired me. After two and a half years with that company, I got accepted into the Wyoming College of Law and in 2019 I graduated with my Juris Doctorate degree and gained a position with a Wyoming based law firm. In addition to benefiting my education, my career, and confirming a home I love, it still benefits me, every weekend that I get to hike or bike the trails built by the members of WCC.

My experience with the Wyoming Conservation Corps made me fall in love with this state and I cannot convey enough the benefits of AmeriCorps programs and the foot forward in life that it gave me and so many of its members. AmeriCorps programs made this state feel like a community and I will always be proud of my alumni status and eternally grateful for the opportunities my experience continues to give me.

~ Andrea Harrington, Wyoming Conservation Corps’ AmeriCorps Alum

I have been a Foster Grandparent since August of 2007. I have served nearly 25,000 hours and was a recipient of the Presidential Volunteer Service Award in 2018. I currently serve the Kindergarten at Highland Park Elementary in Sheridan.

“To see children that I have had in class 13 years ago and see the excitement and respect they have for me (and all grandparents) is overwhelming! Parents of these children have so much respect for us! Our lives are enriched! It overwhelms me in my own family.”

~ "Grandma" Linda Tarver, Foster Grandparent
