## **Commission Match Waiver Policy**

AmeriCorps, formerly known as CNCS, has the authority to issue a blanket waiver under 42 U.S.C. § 12571(e)(4) and consistent with 45 CFR 2521.70 when CNCS “determines that such a waiver would be equitable due to lack of available financial resources at the local level.”

When AmeriCorps/CNCS issues a blanket match waiver, the Commission will apply a match waiver for the same time period to AmeriCorps programs funded through the Commission regarding the budgeted or statutory match of the AmeriCorps program budget.

To receive such a waiver, the program must:

- Provide a written formal request for a match waiver based on need,
- Provide justification as to why such a waiver is needed,
- The amount of the requested waiver, &
- The amount of remaining match that will be provided should the match waiver be approved.

This waiver request will be reviewed by ServeWyoming, and notification of the decision will be given to the program within 10 working days.
